A. Agreement

Your use of the Services is governed by this Agreement. The following are also considered part of this agreement:

- The Terms and Conditions for the Website available on cnb.com

- The terms or instructions appearing on the Website, when enrolling for, activating, accessing and/or using any Service
- Bank's rules, procedures and policies, as amended from time to time, that apply to any Service and/or any Eligible Account
- Current rules and regulations, if any, of any funds transfer system or payment system used in connection with an Eligible Account
- State and federal laws and regulations, as applicable

By enrolling in or using any Service, or authorizing others to enroll in or use a Service to access or conduct transactions on your Eligible Accounts, you will be deemed to have agreed to this Agreement.

B. Other Agreements; Conflicts

In addition to this Agreement, each Eligible Account and service accessed through the Services will continue to be governed by and construed in accordance with the separate agreements you have with us applicable to such Eligible Account and/or service. If the Agreement conflicts with or is inconsistent with another agreement with us, then the Agreement will control unless the Agreement expressly states otherwise, but only with respect to the Eligible Account or service and only to the extent necessary to resolve the conflict or inconsistency.

Trust and investment accounts are granted online access generally for view-access only. Certain terms and conditions in the Agreement may not apply to such trust and investment accounts. To the extent there is a conflict between the terms and conditions of the agreements or law governing such trust and investment accounts with this Agreement, the other agreements or law will control.

C. Changes to the Agreement

We may at any time change the Agreement, including applicable fees and charges, at any time by adding new terms or conditions or deleting existing terms and conditions. We may also add, convert, substitute or discontinue accounts, products and/or Services at any time. We will provide you notice of any changes as required by law. We may, but do not have to, notify you of any change if we determine in good faith that the change is beneficial to you or is made for security reasons. Notice of any change may be provided by mailing notice to you at the address in our records (including with your account statement), posting notice on the Website, providing notice through our Online Banking Service or Mobile Banking Service, or otherwise making it available to you. For multi-owner accounts, notice to one owner is notice to all owners. If there is a change to the Agreement and you (or the persons acting on your behalf) continue to maintain or use the account(s) or Service(s) after the change, you will be deemed to have agreed to the change. **Do not use any of the Services if you do not accept and agree to be bound by all of the terms and conditions of this Agreement.**

You understand that we may contact you by mail, courier, phone (whether mobile or landline), fax, email, text message, or through our Website or Bank App. You should promptly notify us of any changes to your contact information (e.g., address, phone number, email, etc.). We will process your personal data in accordance with the Privacy Disclosures.

This Agreement shall be governed by and construed in accordance with the laws of the jurisdiction set forth in the agreement(s) applicable to the relevant account(s) and/or service(s). The application of the United Nations Convention on Contracts for the International Sale of Goods is hereby expressly waived and excluded. If any provision of this Agreement is determined by a court of law to be illegal or unenforceable, such provision will be enforced to the maximum extent possible and the other provisions will remain effective and enforceable.

E. Contract Language

English is the controlling language of the relationship between you and us. While we may translate our forms, disclosures and advertisements into another language for your convenience, unless we otherwise agree in writing or we are specifically otherwise required by law, in the event of a conflict between our English language materials and our material in another language, the English language version shall control.

F. Privacy

Your use of any Service and any Eligible Account will be subject to the Privacy Disclosures which are available in the Privacy & Security section at *cnb.com*. By accessing or using any Service, you agree that

4. GENERAL TERMS AND CONDITIONS

A. Owners, Joint Account Owners, Authorized Users

Each Authorized User must individually enroll in the Service to access it or, if applicable, be designated by your administrator (e.g. Business Suite, Business Essentials). Each Authorized User will need a unique user ID and password, or other Bank approved security and authentication controls, to access your Eligible Accounts and services through the Service. You understand that if an Eligible Account is owned by more than one person, or has an authorized signer or other authorized agent, each such person may provide us with instructions, obtain any information, make any decision, or make any request associated with the Eligible Account or related service, to the extent permitted by agreements governing such Eligible Account or service.

- You agree that: (1) each of your Authorized Users will be acting as your agent and will be bound by the Agreement any other agreements governing your Eligible Accounts and services; (2) we are entitled to rely and act on the instructions of your Authorized Users and will have no liability for doing so; (3) all transactions that your Authorized User conducts through any Service are deemed to be transactions authorized by you; and (4) you are responsible for ensuring each Authorized User maintains the confidentiality of their user ID, password or other login credentials in accordance with the Agreement.
- You shall notify us promptly of any change of your Authorized Users. We may continue to rely on the authority of any of your Authorized Users until we have been notified in writing and given a reasonable opportunity to give effect to such changes.
- If we get conflicting instructions from Authorized Users, we believe there may be security concerns with your Service or Eligible Account, or if an Authorized User violates this Agreement, we may at our sole discretion, suspend or terminate access to the Service or the Eligible Account, in whole or in part without notice or liability to you.

B. Signature Requirement Waiver

You understand that any transaction conducted on or through a Service (e.g., online banking, mobile banking, or other electronic means) may be authorized or conducted by a single Authorized User (or delegate thereof) notwithstanding any signature requirements on an Eligible Account, such as multiple signature requirements on a check. Your decision to use a Service with an Eligible Account waives any signature restrictions or multiple signature requirements for that account.

C. Authorization of Fees and Charges; Responsibility for Transactions; Notification Timing and Methods

- You agree to pay Bank's fees and charges applicable to your Eligible Accounts and related services as provided in the Agreement when using any Service, including the applicable fee schedules and information separately provided to you. In addition, your internet, telephone and/or Wireless Device service provider may assess other fees and bill them separately to you. Further, you agree that except as otherwise agreed, you are required to designate an Eligible Account at Bank to pay fees for your Eligible Accounts and related services. When a Service generates items to be charged to your account, you agree that we may debit such account notwithstanding any signature restrictions or multiple signature requirements under the applicable account agreement, and without prior notice to you.
- **Notification Timing.** You must **INFORM US IMMEDIATELY** if you believe your (or any of your Authorized User's) User ID, password, Wireless Device or other Security Item for any Service has been lost, stolen, misplaced, or if you believe that an electronic funds transfer has been made without your permission using information from your account. Calling us via telephone is the best way to limit your potential losses.

- **Methods of Notification of Unauthorized Transfers or Lost Security Credentials.** If you believe your (or any of your Authorized User's) User ID, password, Wireless Device or other Security Item has been lost or stolen, or if you notice unauthorized transfers on your statement or within your online history for your Online Services you may notify us in any of the following ways:

D. Your Liability for Transactions

The provisions in this Section apply only to electronic fund transfers (EFTs) that credit or debit a consumer's checking, savings or other asset account subject to Regulation E (subpart A), which implements the Electronic Fund Transfer Act, and does not apply to Business Accounts or wire transfers that are not EFTs. For additional information regarding unauthorized transactions and our respective obligations and liabilities, please review the Consumer Electronic Fund Transfer Agreement and Disclosure or the Business Electronic Fund Transfer Agreement and Disclosure, as applicable. This Section also does not apply to EFTs to and from brokerage accounts, which would remain subject to the terms governing such brokerage accounts.

- **Your Maximum Liability for Unauthorized EFTs (personal account subject to Regulation E only).** Failure to notify us promptly may cause you to lose the full amount of the unauthorized transfer (plus your maximum overdraft line of credit, if applicable). If you tell us within two (2) Business Days after you learn of the loss or theft of your User ID, password, Wireless Device or other Security Item for a Service, you can lose no more than \$50 if someone used your User ID, password or other Security Item without your permission. If you do **NOT** tell us within two (2) Business Days after you learn of the loss or theft of your User ID, password, Wireless Device or other Security Item for a Service, and we can prove we could have stopped someone from using your User ID, password, Wireless Device or other Security Item without your permission if you had told us, you could lose as much as \$500. Also, if your account statement shows transfers that you did not make, including those made by ATM card, Debit Card, or via our Services or via other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. In our sole determination, if we determine that extenuating circumstances exist that would prevent you from reviewing your periodic statements and notifying us accordingly of unauthorized use, we shall extend the time period allowed for providing notice to us to a reasonable period.

E. Equipment and Software and Security

- **User ID and Password.** We may set standards for the unique user ID and password used to access the Service. We recommend that you maintain the confidentiality of your user ID and password, change your password regularly, and select a unique user ID and password combination for use only with the Service. Do not share your user ID and password with others.
- **Minimum Hardware, Software and Other Requirements.** We may require special hardware, software and/or third-party services to access the Services. Additional security procedures may also be offered for certain Services, such as one-time access codes, or call-back questions. We may also require the use or activation of internet browser software or mobile operating system features, plug-ins and add-ons, to use the Service, such as your own Internet Service Provider (“ISP”) or other means of accessing the internet, a Computer System and compatible internet browser supporting 128-bit encryption, JavaScript support and “cookies”. We are not responsible for the actions or inactions of your ISP or other internet, telephone and/or mobile device service provider. These minimum hardware, software and/or third party service requirements may change from time to time and may affect your ability to access the Services. If you are using third party software (e.g., Quicken®, QuickBooks® Desktop Software, etc.) to use a Service, you are responsible for obtaining a valid license agreement with the third party provider. We do not endorse or provide upgrades for such third party software.
- **Computer System Security.** You agree to maintain and regularly update the security of your Computer System, through which you access the Services, including, without limitation, by installing, maintaining and regularly updating anti-virus and antispyware identification and removal software and other deterrent systems reasonably necessary to prevent unauthorized access to your Computer System. You agree to take reasonable precautions to prevent the introduction of any disabling procedures (including but not limited to software lock, malicious logic, worm, Trojan horse, bug, time bomb, etc.) into your software or our software that might disrupt our equipment or software, or the equipment or software of other users of the Services.
- **Security Items.**
 - We may require that you initiate or authenticate transactions under the Services, including but not limited to transactions involving the deposit or the withdrawal of funds from any Eligible Account maintained with us, using one or more Security Items. The account transactions that you initiate or authenticate through the Services using one or more Security Items shall be deemed authorized transactions, and we are entitled to rely upon the Security Item or Security Item(s) provided to us to initiate or authenticate each such transaction without regard to the signing authority on the account.
 - ACH transactions and wire transfer security is especially critical. It is your responsibility to use security tokens only when releasing an ACH or wire transaction, never at login. We will never initiate a communication to request entry of security tokens. If you enter a token to complete a transaction and you get an error message, you are logged off the system or you do not get a confirmation contact us **IMMEDIATELY**. There is increased likelihood your Computer System has been hacked or compromised. Please also refer to our Consumer Electronic Fund Transfer Agreement and Disclosure or Business Electronic Fund Transfer Agreement and Disclosure, as applicable, for more information.
 - To maintain secure communications and reduce fraud, you agree to protect the security and confidentiality of your Security Items to access and/or use your Eligible Accounts and related services via the Service. We reserve the right to block your access to the Services to maintain and/or restore security to the Services, the Website (and/or Bank-related websites), and/or any other Bank systems if we believe in our sole and absolute discretion that any of your Security Items has been or may be obtained, or is being used or may be used, by any unauthorized person.
 - If a third party by whatever means obtains one or more of your Security Items, we are authorized to rely upon and assume without further inquiry that the party is authorized to do anything that you can do with the Security Item at any time. FAILURE TO PROTECT SECURITY ITEMS MAY ALLOW A THIRD PARTY ACCESS TO YOUR ELIGIBLE ACCOUNTS AND/OR YOUR INFORMATION RELATING TO THEM, AND ENABLE THAT UNAUTHORIZED PERSON TO CONDUCT TRANSACTIONS ON YOUR ELIGIBLE ACCOUNTS. REFER TO OUR DISCLAIMER OF LIABILITY BELOW SECTION 4.K. REGARDING LOSSES ARISING FROM USE OF YOUR SECURITY ITEMS BY A THIRD PARTY.

- If any Service is terminated for any reason, you will, with respect to that Service: (i) immediately cease using the related Security Items; and (ii) return to us all related Security Items and security instructions we provided to you or, at our option, destroy any related Security Items and security instructions. You will advise us at once in the event you believe a Security Item or security instruction has been compromised by unauthorized disclosure. You understand that any actions not part of our Security Practices and Procedures that we may take to detect an erroneous transaction or unauthorized request or instruction are determined at our sole discretion. Such actions shall not be deemed a part of our Security Practices and Procedures and we are not liable to you if we do not use such actions or any of them in each circumstance.
- **Security Practices and Procedures.** Without limiting this provision in any way, you acknowledge and agree that the Services require you to communicate with us via electronic mail, the Internet, and/or other electronic means and that such communications could fall victim to interception and/or access by unauthorized third parties. We require you to utilize prudent and reasonable Computer System security measures and Security Items and to follow certain Security Practices and Procedures to reduce the risk of unauthorized access to and use of your Eligible Accounts via the Services by third parties. YOU ACKNOWLEDGE AND AGREE THAT YOUR FAILURE TO UTILIZE SUCH COMPUTER SYSTEM SECURITY MEASURES AND SECURITY ITEMS AND/OR TO FOLLOW SUCH SECURITY PRACTICES AND PROCEDURES SHALL RELIEVE US OF ANY LIABILITY TO YOU FOR UNAUTHORIZED ACCESS TO AND/OR USE OF YOUR ELIGIBLE ACCOUNTS OR UNAUTHORIZED TRANSACTIONS INITIATED ON YOUR ELIGIBLE ACCOUNTS THROUGH THE SERVICES. You agree that complying with the Security Practices and Procedures shall not relieve you of your obligation and responsibility to exercise independent judgment about security and additional steps or procedures needed to prevent cyber fraud, unauthorized access to, and/or use of your accounts via the Services. Accordingly, you agree to take all additional commercially reasonable security measures in using the Services as are appropriate in the circumstances. You further agree to take all commercially reasonable security measures necessary to prevent disruption to the operations of our computer systems and the Services. WE SHALL NOT BE LIABLE TO YOU FOR ANY LOSSES ARISING BY REASON OF YOUR FAILURE TO MAINTAIN THE SECURITY OF YOUR COMPUTER SYSTEM OR YOUR INTERNAL CONTROLS.
- **Your Security Role to Protect Yourself.** Your role in security is as important as ours. IT IS YOUR RESPONSIBILITY TO MAINTAIN REASONABLE INTERNAL CONTROLS TO PROTECT YOUR COMPUTER SYSTEM AND SECURITY ITEMS.
 - You are responsible for the security and use of your user ID and password. Do not select a password that is easily guessed (e.g., birth date or spouse name), or share your password. Do memorize your password (instead of writing it down).
 - If you think your password has been compromised, change it immediately online. You should then verify that no unauthorized transactions occurred on your account.
 - When you have completed your banking online, always remember to click "SIGN OUT" before visiting other Internet websites.
 - If others use your computer, clear your cache or turn off and reinitiate your browser in order to eliminate copies of web pages that have been stored in your hard drive. See your browser's HELP section for instructions on how to clear the cache.

F. Payment and Transfer Limitations

We reserve the right to limit the frequency and/or dollar amount of transfers and payments using any Service for security and regulatory reasons.

G. Dispute Resolution

Any disagreement between you and us that relate to any of the Services, this Agreement and any of your Eligible Accounts are subject to the dispute resolution provisions set forth in the agreement(s) applicable to the relevant account(s) and/or service(s), which may include binding arbitration.

H. Cancellation or Termination

You may terminate a Service at any time by giving notice of the termination to us in writing and paying any fees or charges due. We may terminate a Service in whole or in part upon notice to you at any time, with or without cause and without liability to you and without affecting your obligations under this Agreement. For example, we may suspend or terminate a Service if we reasonably believe the Service is being misused or may be misused or the activity conducted is suspicious or the security or safety of a Service is in doubt. We

may also terminate all or part of a Service, with or without notice to you, if you fail to access such Service for a period of at least six (6) months. You may re-enroll for a Service by contacting our client contact center associated with the Service. Please call 1-800-773-7100 for Consumer clients and 1-800-599-0020 for Business. For further details regarding the impact of cancellation or termination on Bill Payment Service, see Section 5.E.6 below.

I. Confidentiality

In general, we will not disclose information about your account or the transactions you make except when: disclosure is necessary to complete a transaction; is requested in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; is required to comply with government agency or court orders or is authorized or permitted by law; or is permitted by you. For further information about how we handle your personal data, please refer to our Privacy Disclosures.

J. Access from Certain Countries Prohibited

We may not allow transactions to originate from or be sent to any country under sanctions by the U.S. government, including those designated by the U.S. Department of Treasury's Office of Foreign Assets Control (OFAC), or any other high-risk country as determined by us. You may wish to contact us prior to initiating a transaction to or from a foreign country to determine if that transaction will be completed by us. We may restrict or terminate your use of a Service if you attempt to access that Service from any country under sanctions by OFAC. For additional information, visit the U.S. Department of Treasury website at www.treasury.gov/ofac.

K. Limitations of Liability; Indemnification

- **WE ARE NOT RESPONSIBLE OR LIABLE TO YOU FOR AND EXPRESSLY DISCLAIM ANY LOSSES ARISING FROM:**
 - The use of your Security Items by a third party, regardless whether the use is within the scope of your intended authorization.

You agree to adhere to the Security Practices and Procedures regarding Security Items selected and/or agreed to by you. THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, YOU AGREE TO ASSUME FULL AND COMPLETE LIABILITY ARISING FROM UNAUTHORIZED USE OF SECURITY ITEMS. You agree to train employees, as applicable, regarding the risks associated with the sharing, disclosure, and handling of Security Items and security instructions (including, but not limited to, sharing with other employees, if any) and will maintain procedures to prevent unauthorized disclosure and use of Security Items and security instructions. YOUR FAILURE TO PROVIDE SUCH TRAINING AND/OR MAINTAIN SUCH PROCEDURES SHALL RELIEVE US OF LIABILITY FOR LOSSES RELATING TO YOUR ACCOUNT (INCLUDING, WITHOUT LIMITATION, ANY LOSS OF FUNDS DEPOSITED OR INTENDED TO BE DEPOSITED THEREIN) TO THE EXTENT THAT SUCH FAILURE CONTRIBUTES TO THE LOSS.
- EXCEPT AS OTHERWISE REQUIRED BY APPLICABLE LAW, IN NO EVENT WILL THE BANK PARTIES BE LIABLE TO YOU FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGE, OR FOR ANY LOSS OF PROFITS, LOSS OF REVENUE, LOSS RESULTING FROM INTERRUPTION OF BUSINESS, OR LOSS, USE, AND/OR MISUSE OF

DATA, ARISING OUT OF THE USE, MISUSE, OR INABILITY TO USE THE SERVICES, WHETHER OR NOT WE KNOW, HAVE REASON TO KNOW, HAVE BEEN ADVISED, OR ARE OTHERWISE IN FACT AWARE OF SUCH DAMAGE, AND REGARDLESS OF THE LEGAL OR EQUITABLE THEORY (CONTRACT, TORT OR OTHERWISE) UPON WHICH ANY CLAIM IS BASED.

- Subject to the foregoing limitations and exclusions, we shall be liable to you only for losses that result from our failure to exercise ordinary care or to act in good faith in providing the Services to you. We shall defend and settle, at our sole expense, all suits or proceedings arising out of the foregoing, provided that you give us prompt written notice of any such claim and provided you reasonably cooperate with us and allow us to control the defense and settlement negotiations. We shall not enter into any settlement or compromise which creates any liability or obligation (whether legal or equitable) on your part without your prior written consent. For security purposes we may change bill payment limits from time to time. The payment address MAY be modified to accommodate special processing requirements. Even though many bill payments you originate are sent electronically to the payee, some bill payments are sent by paper check via U.S. Mail. Your payment funding account will be debited for the amount of the payment when the draft check clears or at the time the electronic payment settles. **YOU MUST SCHEDULE OR TRANSMIT PAYMENT INSTRUCTIONS AT LEAST FIVE BUSINESS DAYS PRIOR TO THE DATE THE PAYMENT IS DUE AT YOUR PAYEE. WE ARE NOT RESPONSIBLE FOR MAIL DELAYS.** You can make the following types of bill payments with the Bill Pay Service:
 - **Scheduled Payments** - You can choose any Business Day as a processing date for your payments. When scheduling your payment you should not include any grace period that the payee may allow.
 - **Automated Recurring Payments through Online Banking Services** - Recurring payments allow you to request that payments that have a fixed frequency amount or amount established using an automatic payment rule option be processed on a recurring basis. Automatic payment rule options are available for payees activated for e-bills. You can set up automatic payment rules such as to pay the full amount billed, to pay the minimum amount due and more. Once you have sent us the request for a recurring payment, your payment will be made regularly by us without your further request. If your payment processing date falls on a non-Business Day, we may

process your payment on our preceding Business Day or our following Business Day, at our option.

- **Repeating Online Payments through Direct Connect with Quicken** - Repeating payments allow you to set up regularly scheduled payments within your Direct Connect with Quicken Service. These payments are generated regularly without your further action and are made whether or not you go online. In order to send these payments, you must submit the instructions through this Service at least seven days prior to the date of the first payment.
- 4) **Cutoff Times** - Bill payment requests received prior to 7:30 p.m. Pacific Time are processed on the Business Day of receipt. Any online payment request received after this time or on Saturdays, Sundays and holidays when we are closed will be processed on our next Business Day. Scheduled payments are processed after 7:30 p.m. Pacific Time, on Business Days.
- 5) **Blocking the Service** - We may block your access to the Bill Pay Service if a bill payment request may or does overdraw your account. If this occurs, call our Client Service Specialist number associated with the Service.
- 6) **Canceling Online Bill Payments or Bill Pay Service**
 - You may cancel any type of online bill payment (scheduled, future dated, or recurring) either online or by phone. All cancellation requests must be received by 6:00 p.m. Pacific Time, on the payment processing date.
 - You may cancel Bill Pay Service for some or all accounts eligible for the Service. To cancel Bill Pay Service, you must first cancel all pending bill payment requests (scheduled, future dated, and recurring) as stated above. After you have canceled all pending bill payments, call a Client Service Specialist to cancel your Bill Pay Service.
 - **Note:** If you call to cancel an online bill payment or to cancel your Bill Pay Service, we may also require you to put your request in writing.
 - We may cancel your Bill Pay Service for inactivity or for other reasons as we determine.
 - After your Bill Pay Service is canceled, you will no longer have access to any Bill Pay Service features, including but not limited to, payee and prior bill payment information and you will be solely responsible for making alternative bill payment arrangements. If you close an account with us, the Bill Pay Service tied to that account, if any, will automatically be canceled as well and you will be solely responsible for making alternative bill payment arrangements.

F. Expedited Payments

- 1) **Expedited Payment Service** - As part of our online Bill Pay Services, we offer an Expedited Payment Service, to speed up the time it takes to get your Bill Pay payment to its recipient. The Expedited Payment Service is available as either an expedited electronic payment or an overnight check payment. You will be charged a Convenience Fee for the Expedited Payment Service, as disclosed when you initiate the payment. You may use the Expedited Payment Service by selecting either an expedited electronic payment or an overnight check payment at the time you schedule your payment through our Bill Pay Service. Not all payment recipients are able to receive expedited electronic payments. If your payment recipient cannot receive your payment electronically, you will only be presented with the overnight check payment option. Your transaction will be completed in accordance with the delivery date presented when you initiate the payment (Delivery Date). You are solely responsible to provide accurate information on the delivery address for the payment and the account number or other information needed by the payment recipient in order to credit your account.
- 2) **On Time Guarantee** - In the event that an expedited electronic payment or overnight check payment is not delivered by the Delivery Date because of our fault, we will reimburse you for the Convenience Fee and any late payment fee assessed by the payment recipient and paid by you up to \$50.00 This guarantee does not apply if the Delivery Date presented when you initiate the payment is after the due date for the payment. We reserve the right to request documentation of any late payment fee for which you seek reimbursement.
- 3) **Limitations** - Availability of the Expedited Payment Service is limited based on payment recipient capabilities, time of day, payment delivery mechanisms and other factors. Overnight check payments are unavailable for delivery to PO Box addresses or locations in AK, HI, and any U.S. territory outside of the contiguous 48 states and District of Columbia, and for any foreign country. You are responsible to verify any address for overnight check payments to ensure the address is correct and is the valid

overnight package delivery address of the payment recipient. We are not responsible for late delivery if you enter an undeliverable address for an overnight check payment. We are not responsible for errors made by you or the payment recipient. Due to the inherent need to expedite the payment, payment instructions will be completed promptly upon submission of a request from you. You will not have the ability to edit or cancel the payment instruction after you have confirmed the payment request.

E. Mobile Check Deposits

Mobile Check Deposit allows you to make check deposits to an Eligible Account through the Bank App, using a supported Wireless Device, taking a photograph of the front and back of an original paper check ("**Original Check**") and electronically submitting the check images ("**Check Images**") and associated deposit information to Bank for deposit into an Eligible Account for collection thereafter by Bank. Use of this Service is subject to additional terms and conditions below:

- **Limits.** Bank reserves the right to limit the frequency and dollar amount of deposits submitted through this Service and will establish such limits for you ("**Deposit Limits**"). If you exceed your Deposit Limits, Bank may in its sole discretion accept or refuse the deposit. If at any time Bank accepts a mobile check deposit that exceeds your Deposit Limits, Bank is under no obligation to do so in the future. Bank may at any time in its sole discretion raise or lower your Deposit Limits without notice.
- **Deposit Processing.** Generally, a deposit received by Bank through this Service prior to 7:00 p.m. Pacific Time (PT) is processed on the Business Day of receipt. Any deposits received through this Service after 7:00 p.m. Pacific Time on a Business Day or on a day other than a Business Day will be processed the next Business Day. Bank will acknowledge your deposit submission and will notify you if a mobile check deposit cannot be accepted for deposit. Acknowledgment that a mobile check deposit has been successfully submitted does not mean that the mobile check deposit can be processed and credited to your Eligible Account.
- **Confirmation.** Bank will send you an email to confirm that your mobile check deposit is being processed. Bank will send an email notice to you if your deposit is rejected in whole or in part. You may verify the amount of the mobile check deposit credited to your account by reviewing your statement online or by calling Bank at (800) 773-7100, option 3.
- **Delayed Availability.** Bank reserves the right to delay the availability of funds deposited through this Service in accordance with Bank's funds availability and deposit holds policy (separately provided to you and available upon request) and required by applicable law or regulation. You will be notified of any delay in the availability of funds as required by law or regulation.
- **Permissible Deposits.** You may use this Service to photograph only Original Checks payable to and properly endorsed by you, drawn on financial institutions in the United States with a valid ABA/Routing Number and denominated in U.S. Dollars, and intended for deposit by you to your designated Eligible Account with Bank. You acknowledge and agree that even if Bank

does not identify a Check Image as ineligible, the Check Image may be returned to Bank because, among other reasons, the Check Image or any substitute check created from the Check Image is deemed ineligible by the financial institution upon which it is drawn or any intermediate collecting financial institution. Bank's failure to identify a Check Image you transmit to Bank as ineligible shall not relieve you or limit your obligations with respect to the Original Check.

- **Destruction of Original Checks.** You agree to fully destroy each Original Check within thirty (30) days following receipt and crediting of your mobile check deposit or as Bank may otherwise instruct. Prior to destruction you shall maintain each Original Check in a secure location. You are responsible if an Original Check is misused or redeposited following submission through this Service.
- **Representations and Warranties.** By using this Service, you make the following representations and warranties:

 - You shall secure and destroy Original Checks as stated above.
 - You shall not submit to Bank or to any other person or entity for deposit or credit any Original Check if Check Images of the Original Check have already been accepted for deposit into your Eligible Account, or if the Original Check was previously accepted by any other person or entity for deposit.
 - You shall not negotiate or transfer to anyone, any Original Check that you submitted as a mobile check deposit to Bank, unless following receipt of your submission, Bank notifies you that the Check Images are ineligible for this Service or any substitute check created from the Original Check is refused by the financial institution upon which it is drawn.

- **Business Accounts.** By using this Service to access an Eligible Account that is a Business Account, you are responsible for any unauthorized use of this Service and any loss or damages incurred due to the unauthorized access to your Business Accounts. If any person authorized access through this Service to conduct transactions on any Business Account is no longer authorized, it is your responsibility to notify Bank. Bank shall not be liable or responsible to you for any transactions conducted on a Business Account by any person whose authority to conduct transactions is no longer in effect until Bank is expressly notified in writing and given a reasonable opportunity to give effect to such change.

If the person you sent money to has already enrolled with *Zelle*, either in the *Zelle* mobile app or with a Network Financial Institution, the money is sent directly to their bank account (except as otherwise provided below) and may not be canceled or revoked.
- You agree that when you request to send money, you authorize us to make a funds transfer on your behalf from the enrolled account. If the recipient has not enrolled as a User with *Zelle*, then the request may be cancelled after 14 days. If there are insufficient available funds in the Eligible Account at the time of debit, the funds transfer will be rejected.
- In most cases, when you are sending money to another User, the transfer will occur in minutes; however, there are circumstances when the payment may take longer. For example, in order to protect you, us, *Zelle* and the other Network Financial Institutions, we may need additional time to verify your identity or the identity of the person receiving the money. If you are sending money to someone who has not enrolled as a User with *Zelle*, either in the *Zelle* mobile app or with a Network Financial Institution, they will receive a text or email notification instructing them on how to enroll to receive the money. You understand and acknowledge that a person to whom you are sending money and who is not enrolling as a User may fail to enroll with *Zelle*, or otherwise ignore the payment notification, and the transfer may not occur.
- We make no representation or warranty that any particular funds transfer through the Service can be completed or that it can be completed within a certain period of time. We have no control over the actions of other Users, other Network Financial Institutions or other financial institutions that could delay or prevent your money from being delivered to the intended User. The money may also be delayed or the transfer may be blocked to prevent fraud or comply with regulatory requirements. If we delay or block a payment that you have initiated, we will notify you in accordance with your User preferences (i.e. email, push notification).
- All transfers made through the Service are subject to the terms, rules and regulations governing the enrolled account. You agree not to initiate any payments that are not allowed under the rules or regulations applicable to that account.
- We reserve the right to decline or cancel any instruction to send money through the Service.

9) Requesting Money.

- You may request money from another User. You understand and acknowledge that Users to whom you send payment requests may reject or ignore your request. Neither we nor *Zelle* guarantee that you will receive money from other Users by sending a payment request, or that you will receive the amount that you request. Neither we nor *Zelle* accept responsibility if the other User rejects or ignores your request, or sends you an amount that is less than you request.

If a User ignores your request, we may decide or *Zelle* may decide, in our sole discretion, that we will not send a reminder or repeat request to that User.

- By accepting the *Zelle* T&Cs, you agree that you are not engaging in the business of debt collection by attempting to use the Service to request money for the payment of an overdue or delinquent debt; to request money that is owed to another person; or to collect any amounts that are owned pursuant to a court order. You agree to indemnify, defend and hold harmless *Zelle*, its owners, directors, officers and agents and Network Financial Institutions from and against all claims, losses, expenses, damages and costs (including, but not limited to, direct, incidental, consequential, exemplary and indirect damages), and reasonable attorney's fees, resulting from or arising out of any request for money that you send that is related to overdue or delinquent amounts.
- You agree to receive money requests from other Users, and to only send requests for legitimate and lawful purposes. Requests for money are solely between the sender and recipient and are not reviewed or verified by us or by *Zelle*. Neither we nor *Zelle* assume responsibility for the accuracy or legality of such requests and do not act as a debt collector on your behalf or on behalf of the sender of a request for money.
- We reserve the right, but assume no obligation, to terminate your ability to send requests for money in general, or to specific recipients, if we deem such requests to be potentially unlawful, abusive, and offensive or unwelcome by the recipient.

10) Transfer Limits.

- If your enrolled *Zelle* account is a "new account", transfers may be made in amounts of up to \$1000 per transaction with a maximum of \$1000 per day in the aggregate from all your combined Eligible Accounts registered with the Service. An account is considered a "new account" for ninety (90) calendar days after the account is opened, if you have no other deposit relationship with us and you are a new client.
- If your enrolled *Zelle* account is a consumer checking account with Bank, transfers may be made in amounts of (i) for the first five (5) Business Days after enrollment, up to \$1000 per transaction with a maximum of \$1,000 per day in the aggregate from all your combined Eligible Accounts registered with the Service and (ii) thereafter, up to \$2,000 per transaction with a maximum of \$2000 per day in the aggregate from all your combined Eligible Accounts registered with the Service. Higher limits may apply if you are using an Eligible Account with the Private Bank or as otherwise determined by Bank from time to time.
- We may, but are not required to, refuse to process any transaction that exceeds any of the above limits. We may, at our discretion, approve higher limits from time to time.
- All transfer limits are subject to temporary reductions to protect the security of customer accounts, Bank and/or the transfer system. In addition, we reserve the right to modify the limit, the frequency and the dollar amount of transfers at any time and for any reason.

11) Your Liability for Unauthorized Transfers

- **Call us IMMEDIATELY at (866) 893-9291 if you believe your password has been lost, stolen or disclosed to an unauthorized person if you believe your password has been lost or stolen or disclosed to an authorized person.** Also tell us immediately if your accounts have been accessed without your permission. Telephoning is the best way of keeping your possible losses down.
 - If you tell us within two (2) Business Days of the loss or theft of your password, you can lose no more than \$50 if someone used your password without your permission or otherwise initiated an unauthorized funds transfer.
 - If you do NOT tell us within two (2) Business Days after you learn of the loss or theft of your password, and we can prove we could have stopped someone from using your password without your permission if you had told us, you could lose as much as \$500.
 - Also, if your statement shows transfers that you did not make or authorize, TELL US AT ONCE. If you do not tell us within sixty (60) calendar days after the first statement which shows the transfer was mailed to you, you may not get back any money you lost after the sixty (60) calendar days if we can prove that we could have stopped someone from taking the

money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

- You are responsible to us for all damages or liability arising by reason of your failure to abide by the terms and conditions of the *Zelle* T&Cs as they apply to the Service or misrepresentations concerning your use of the Service, to the extent permitted by law. If you permit other persons to use the Service or your password, you are responsible for any transactions they authorize from your accounts. If you provide incomplete or incorrect transfer information, you are still responsible for the transaction.

12) Our Liability for Failure to Complete Transfer. We may be liable to you for damages or loss you incur if we do not complete a transfer to or from the Eligible Account on time or in the correct amount according to the *Zelle* T&Cs. However, we are NOT responsible or liable to you in the following examples:

- if a transaction originated by use of the Service is refused by any User, Network Financial Institution or other third party for any reason;
- if, through no fault of ours, you do not have enough money in the Eligible Account to make a transfer you order or authorize from the Eligible Account or if the transfer would exceed your overdraft protection, if any;
- if transactions on your account are restricted by legal process or otherwise;
- if you have not provided us with complete and correct transfer information;
- if the intended recipient is not enrolled with the Service or the person-to-person transfer service of *Zelle*, clearXchange or a Network Financial Institution, or otherwise ignores your request;
- if the Service, your mobile phone, operating system or software was not functioning properly at the time you attempted to initiate a transfer and it was evident to you at the time you began the transfer; or
- circumstances beyond our control as further described in the Consumer Electronic Fund Transfer Agreement and Disclosure.

13) Transaction Errors. If you discover errors or have questions about your statement or any transaction:

- Contact us AT ONCE at **(866) 893-9291** or write us at City National Bank, 1801 West Olympic Blvd., 3rd Floor, Los Angeles, CA 90006, Attn: Deposit Services.
- We must hear from you no later than sixty (60) calendar days after the date we sent you the first statement on which the problem or error appears. If you tell us orally, we may still require you to send us your complaint or question in writing within ten (10) Business Days. We need your name, account number, the date, the type and dollar amount of the transaction or suspected error, as well as a description of the error or transaction. Explain as clearly as you can why you believe the transaction is an error or why you need more information.
- We will determine whether an error occurred within ten (10) Business Days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) calendar days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) Business Days for the amount you think is in error, so that you will have use of the money during the time it takes for us to complete our investigation. If we ask you to put your complaint or question in writing and we not receive it within ten (10) Business Days, we may not provisionally credit your account.
- For errors involving new accounts, we may take up to ninety (90) calendar days to investigate your complaint or question and we may take up to twenty (20) Business Days to credit your account for the amount you think is in error. Your account is considered a "new account" for thirty (30) calendar days after the account is opened, if you have no other deposit relationship with us and you are a new client.
- We will tell you the results within three (3) Business Days after completing our investigation. If we decide there was no error, we will send you a written explanation. You may ask for copies of the documents we used in our investigation.

- 14) Fees.** We do not charge a fee for using the Service, but fees may be assessed to the enrolled account, as applicable, and we do reserve the right to assess fees in connection with the Service in the future. If we do assess fees, we will provide you notice as required by the terms of the Agreement and applicable law. Please note, however, that fees may be assessed by your mobile carrier and data rates may apply. In addition, third party fees may apply if you use the Service through another Network Financial Institution or through Zelle's separate transfer service website or mobile app.
- 15) Termination.** We may terminate or suspend this Agreement (including the Zelle T&Cs), or terminate, suspend or limit your access to use the Service, in whole or in part, at any time for any reason without prior notice, including if the enrolled account is closed. We also reserve the right to terminate or suspend our participation in the Zelle network or with a particular financial institution at any time.
- 16) Limitation of Liability.** Neither we nor Zelle shall have liability to you for any transfers of money, including without limitation, (i) any failure, through no fault of us or Zelle, to complete a transaction in the correct amount, or (ii) any related losses or damages. Neither we nor Zelle shall be liable for any typos or keystroke errors that you may make or for any incomplete or incorrect information you provide when using the Service.
